

Backyard Birding for Families

Learn to identify the common birds found in and around your backyard. We will also discuss how to become a citizen scientist and help Cornell's Lab of Ornithology conduct research by participating in Project FeederWatch.

Saturday, January 30, 2010

10am - 11:30am

Registration is required!

*Cost: \$10/family for members;
\$20/family for nonmembers*
