

"Reeds Needs" Volunteers!

Thank You for your interest in volunteering at Reeves-Reed Arboretum. Having a wide base of volunteers with many interests helps us to maintain our gardens in exceptional condition and to operate our outstanding educational programs. Why not join the dedicated group of volunteers who make Reeves-Reed Arboretum flourish! You can volunteer on a regular basis, for special events or projects, or just as needs occur. We can arrange hours to best suit your schedule and no experience is necessary; training is provided as needed.

Please take a moment to fill out the form below, indicating areas where you may want to help. If you have an interest that is not listed, tell us what you would like to do! Complete your contact details and then return the form to the Arboretum. We look forward to hearing from you!
