

REEVES-REED ARBORETUM

Dear Friends,

In an effort to help slow the spread of the COVID-19 virus, we have cancelled all upcoming programs through April 12. We will update our website as the situation evolves.

Because of the physical and mental benefits of spending time with plants and nature, we encourage you to spend time outdoors and to visit the Arboretum's gardens and natural areas.

All our buildings, however, will remain closed until further notice.

The safety of our staff and our community is our main focus.

*Come for a walk outside. We are here for you.
Be well and stay healthy!*
