Saturday, January 14, 9:30 am—11:00 am

FEBRUARY—Create a Square Foot Gardening Journal

As we garden throughout the growing season, we will create a Square Foot Gardening journal to keep track of all the wonderful changes and the interesting creeping, crawling, fluttering and wiggling visitors to our garden. You will decorate and personalize your journal with various craft materials, and use it to record all that you discover in the garden. Let's get crafty!
