

Children & Family Education

Discovery Saturdays – Spring 2019

Make a discovery at the Arboretum and enjoy a unique family experience. Drop by the Stackhouse Education Center, any time between 9:00 am and 1:00 pm, on Saturdays for an interactive exploration of nature. Each week, discover a new plant, animal, or environmental topic through experiments, stories, games, and crafts. Borrow an Arboretum backpack loaded with binoculars, field guides, a magnifying glass, and everything else needed for outdoor Arboretum adventure! No pre-registration is necessary. Adults must be accompanied by a child!

Free for RRA members. \$5.00 per child for non-members.
